Règle du jeu

Nombre de joueurs : 2 à 4

Matériel :

- cartons des nombres
- étiquettes doigts
- jetons

Déroulement :

- Chaque joueur dispose d'un carton.
- Le maître du jeu tire une étiquette doigt, sans dire le nombre correspondant.
- Le 1^{er} qui trouve sur son carton le nombre correspondant au nombre doigts de l'étiquette pose un jeton sur le nombre écrit en chiffres.

Le gagnant est celui qui a réussi à mettre un jeton sur tous ces nombres, ou à défaut celui qui a le plus de jetons.
