

THE TRUTH

Good Charlotte

(G C G F#m/5+ C)

Couplet :

So here we are
 We are alone
 There's weight on your mind
 I wanna know

Pré-refrain :

The truth
 If this is how you feel
 Say it to me
 If this was ever real

Refrain :

{ I want the truth from you
 Give me the truth even if it hurts me } x2

Couplet :

I want the truth
 So this is you
 You're talking to me
 You found a million ways to let me down
 So I'm not hurt when you're not around
 I was blind

Pré-refrain :

But now I see
 This is how you feel
 Just say it to me
 If this was ever real

Refrain

Pont :

I know that this will break me
 I know that this might make me cry
 You gotta say what's on your mind,
 on your mind
 I know that this will hurt me
 And break my heart and soul inside
 But I don't wanna live this lie

Refrain :

I want the truth from you
 Give me the truth even if it hurts me
 I want the truth from you
 Give me the truth even if it hurts
 I don't care no more, no

Just give me the truth, give me the truth
 'Cause I don't care no more
 Give me the truth

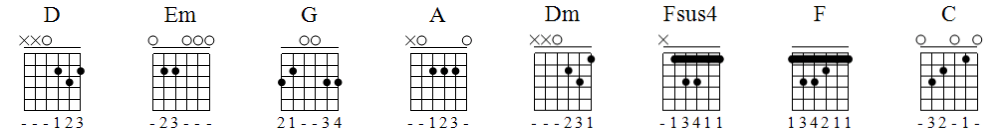

'Cause I don't care no more, no

Just give me the truth, give me the truth,
 Give me the truth, give me the truth
 Give me the truth
 Cause I don't care no more, no

Slipping Away

(D Em G Em G) x2

I'm slipping away
 In every way
 I can't stay awake
 (and I don't know why)
 I'm slipping away
 (and I don't know why)

I'm trying to make it through each day
 I'm falling apart now in every way
 I'm finding it harder to get by
 There's a hole in my heart and I don't
 know why
 Now I've come to realize

I'm slipping away

Pieces

(Dm Fsus4 F C)

Couplet :

I tried to be perfect
 But nothing was worth it
 I don't believe it makes me real
 I'd thought it'd be easy
 But no one believes me
 I meant all the things that I said

Refrain :

If you believe it's in my soul
 I'd say all the words that I know
 Just to see if it would show
 That I'm trying to let you know
 That I'm better off on my own

(Dm Fsus4 F C)

Couplet :

This place is so empty
 My thoughts are so tempting
 I don't know how it got so bad
 Sometimes it's so crazy that nothing could
 save me
 But it's the only thing that I have

Refrain

(F Fsus4 C F Fsus4)
 On my own!

Couplet :

I tried to be perfect
 It just wasn't worth it
 Nothing could ever be so wrong
 It's hard to believe me
 It never gets easy
 I guess I knew that all along
