You will need:

1 skein **Mille Colori** from Lang Yarns (50 g for 92 m)

1 pair of 6 mm dpn's.

Skills required :

Knit, purl, knit 2 together.

Average size, for woman : 80 stitches.

To increase or diminish the size of the hat add/withdraw a multiple of 4 stitches.

Cast on 80 stitches on your 6 mm dpn's, join and make sure you don't twist.

Knit 3, purl 1 all around. i.e. 20 stitches per needle.

When you reach 12 cm / approx 4.5 inches, start decreasing this way :

K2tog, k1, p1 over one round.

Then continue k2, p1.

When your hat measures 20 cm / approx 8 inches, it is time for another decrease round.

K2tog, p1 over one round.

Continue k1, p1 until you have 23 cm / 9 inches.

Cut the yarn, put it through the live stitches, pull tightly and weave in.

In French

Monter 80 mailles sur des aiguilles double pointe 6 mm, tricoter en côtes 3/1 pendant 12 cm.

Diminuer d'une maille sur un tour complet (2 mailles endroit ensemble) pour obtenir des côtes 2/1, continuer jusqu'à 20 cm. Refaire un tour complet de diminutions pour arriver à des côtes 1/1. A 23 cm de hauteur totale, couper le fil et le passer dans les mailles restantes et resserrer.

Votre bonnet Lulu est terminé !
